

## **MHBP RN NURSE CASE MANAGER POSITION**

The Black Health Coalition of Wisconsin has an immediate opening for a full time RN Nurse Case Manager with flexible hours. This position is with the Milwaukee Healthy Beginnings Project, responsible for carrying out prescribed activities within seven targeted zip codes: 53206, 53208, 53209, 53210, 53212, 53216 and 53218. Will case manage clients once they are released from the Milwaukee County Jail (MCJ). This position works to reduce infant mortality and improve perinatal birth outcomes; works with the case manager in the MCJ closely, meeting the women while still in jail whenever possible; will do home visits making sure the pregnant women continue with prenatal care services and assisting with other needs as identified; provide appropriate health education and documentation. This individual will make appropriate referrals and will connect clients to linkages with medical homes and other social systems in the community to ensure good perinatal health.

**Qualifications:** Graduate of an accredited RN nursing program, licensed in the State of Wisconsin. One to two years related experience in pediatric and/or perinatal health care a plus. Experience in public health or community nursing. Individual must be representative of the target population to be served. Ability to operate independently and in a team context. Have good oral and written communication skills. Must reside within the city of Milwaukee, having a stake and familiarity with the project area. Have considerable flexibility with working hours (some evening and weekend hours will apply). Must have reasonable problem solving skills. Must have a valid driver's license and auto insurance. Is a salaried position commensurate on qualifications and experience plus full benefits.

Interested candidates should forward letters of interest and resumes by August 14, 2009 by email to [rmorgan@bhcw.org](mailto:rmorgan@bhcw.org) or mail to the:
